

· Sand Point:2

III. General Announcements

Katrina

- Katrina- Awards nominations deadlines have passed, entries should have been turned in by now
- Megan- the poster contest deadline has been extended to 9 am
- Mike- be sure to visit AKStudentForum for a chance at the golden mouse trophy
- Megan- AASG's new service project: statewide 3-2-1 greenhouse gas reduction campaign, regional competition to collect pledges. More in new business
- Katrina- Election process for regional reps, hear more about it in your regional meetings. Different regions have different methods for electing reps

IV. Approval of Agenda

Katrina

- NASC 2007 report will be given by Katrina rather than Matt. 2007-2008 Budget will also be added.
 - **Motion to approve agenda**
 - Moved by Ketchikan, Seconded by Mt.Edgecumbe
- Passes, agenda approved**

Motion to recess

Moved by Eagle River, Seconded by Yakutat
Passes, meeting recessed

Meeting called back to order at 1:11 P.M.

V. Approval of Fall 06 (Valdez) GA Minutes

Chris

- No discussion
 - **Motion to approve Fall 06 GA minutes**
 - Moved by Valdez, Seconded by Lathrop
- Passes, minutes approved**

VI. Reports

- **Officer Reports**

· **Vice President**

Kevin Priestley

Working on a more technologically advanced, user-friendly absentee balloting system

· **Parliamentarian**

Kari Nore

Has been studying parliamentary procedure

· **Public Relations**

Megan Waggoner

Advocated, sent out, and worked on awards and committees. AASG goals. Has been working on awards.

· **SBEED Representatives**

Melissa Steward, Lindsay Birk

Melissa- interviewed Lindsay for her position. Lindsay will be new SPEED rep.

Presentation about the rapid growth of technology in the world. Talks about discussing placing truancy officers in schools.

Lindsay- explains the presentation and WorkKeys.

· **ASAA Representative**

Annie Bartholomew

Has been discussing issues that affect student councils. Is looking into getting eligibility requirements to be involved in AASG to unify AASG with ASAA. ASAA is revising citizenship rules: drug use to be taken more seriously with greater consequences. The first offence is 10-day suspension, second offense is 35-day suspension, third offense is a one-year suspension, and the fourth offense is expulsion from ASAA activities. NFHS leadership conference in Indianapolis- more in new business.

· **Region I:**

Karlo Mercene, Joe Hirt

Have been keeping in contact with their region. Are trying to get more students involved with AASG and AKStudentForum. Are now in Craig, having a good time.

- **Region II:** **Grant Hicks (absent)**
Grant Hicks was unable to attend
- **Region III:** **Margaret Yngve (absent)**
Matt reads Maggie's report: Maggie has been keeping in contact with her region and keeping them informed. This is Maggie's last report. She is proud to have served AASG and region 3.
- **Region IV:** **Mike DeTerra, Matt Cook**
Mike- has been working on AKStudentForum and Rose Rural-Urban exchange. Has served on committees. This is Mike's last conference, he is also proud to have served on the Executive board.
Matt- went to NASC, had fun, and ran for an office. Attended Winter Business Meeting and all teleconferences.
- **Region V:** **Libby Parker**
Encouraged her region to attend Craig Spring Conference. Thanks Craig for hosting conference. This is also Libby's last conference.
- **Region VI:** **Joe Byrnes**
Since fall conference, Joe has been active on Executive Board, attending meetings, keeping in contact with his region.
- **Region VII:** **Lance Sweenhart (absent)**
Katrina reads Lance's report: region 7 received \$8,000 from the Bristol Bay Native Association
- **President** **Katrina**
Since fall conference, worked on committee to appoint secretary/treasurer, attended NASC with Matt, led Winter Business Meeting, served on several committees
- **Additional Report**
 - **Executive Director** **Carol Waters**
Points out a couple of things: Alaska is voicing more of its opinions, mainly because of Matt Cook. RSVP- Raising Student Voice in Participation, helps schools raise their voice. Carol asked to have someone step forward for RSVP- Matt volunteered. Carol is proud; this will make a big difference in our state. AASG website upgrade. Doyon and Bristol Bay have donated money. Rose rural-urban exchange. Carol works with student councils and advisors, but mainly the Executive Board. Region 7 received \$8,500; we need to spend the money in region 7. No leader is left behind in this organization.

Motion for 15-minute recess to discuss tabled resolution

Moved by Juneau, Seconded by Barrow

Passes, meeting recessed

Meeting called back to order at 2:08 P.M.

VII. Old Business

– **Resolution tabled from Fall Conference**

Kevin

• **Tabled Resolution *Overnight Stays in High School***

Submitted by Bussy Gower and Bayley Felsler of South Anchorage and Dimond High Schools

1. Be it resolved by the Alaska Association of Student Governments;
2. **Whereas**, students are not permitted to stay overnight in Anchorage schools, Mat- Su schools, or Fairbanks schools.
3. **Whereas**, this can not only create an inconvenience for AASG conferences, but sporting tournaments, games, meets, etc. as well.
4. **Whereas**, at the South Anchorage High School conference, many schools were unable to attend due to the high hotel rates.
5. **Whereas**, staying in a high school can add to enjoyment of any school-related activity.
6. **Whereas**, in relation to AASG, staying in a school is not only cost efficient, but creates a bonding factor between urban and rural schools.
7. **Therefore**, be it resolved by the Alaska Association of Student Governments, that AASG supports the reinstatement that students are able to stay overnight in high schools during school-related events.

Action statement: ASAA, ASD, Mat-Su District, and Fairbanks District

Motion to bring tabled resolution back to floor

Moved by Bethel, Seconded by Sand Point

Passes, tabled resolution brought back to floor

Region 1: supports the resolution

Region 2: supports the resolution

Region 3: supports the resolution

Region 4: supports the resolution

Region 5: supports the resolution

Region 6: supports the resolution

Region 7: supports the resolution, notes expense of travel

Discussion:

Motion to strike “or Fairbanks schools” from line 3 of the resolution

Moved by Ben Eielson, Seconded by Ketchikan

Passes, “or Fairbanks schools” stricken from line 3

Tabled Resolution passes

- **Absentee Balloting at Fall Conference** **Kevin**
 - Schools did not receive absentee ballots in time to vote. A committee was formed: discussed website and interactive voting process.
- **Spring Conference 2007: Craig report** **Stephanie Merritt**
 - Gives short report: everything in Craig is going wonderful. Under-budget, about 150 students attending conference.
- **Scholarships** **Matt**
 - About a month ago a committee met to discuss scholarships. Awarded scholarships to several students. Extends invitation to share what it took to receive scholarships. Thanks Bristol Bay Native Corporation for their donation

Motion to recess meeting

Moved by Eagle River, Seconded by Skagway

Passes, meeting recessed

Meeting called back to order at 7: 17 P.M.

- **Grants** **Chris**
 - Bristol Bay Native Corporation donated \$8,500 to region 7
 - Doyon donated \$1,000 to region 7
 - Rose Rural-Urban Exchange donated \$8,000 to AASG
 - Wilder Construction donated \$5,000
- **AKStudentForum** **Mike**
 - AKStudentForum is having contest to honor the person with the most posts on AKStudentForum, winnings will go to an individual from any school. Committee on Executive Board will be formed to judge posts. The “Golden Mouse” award.
- **Theme for 2006-07: Literacy Explosion** **Libby**
 - This year the executive board decided to do the 3-2-1 campaign as the state service project. Literacy Explosion is over.
- **Poster Contest** **Megan**
 - “Fishing for Alaska’s Future Leaders” is the poster contest theme for this year. There is still time to enter your poster.
- **Rose-AASG Student Council Exchange** **Maggie (absent)**
 - Mike for Maggie- Napaskiak and Ben Eielson are sister schools and have been active in the exchange.

- Ben Eielson has a presentation planned for later, but agrees to do a short presentation. Ben Eielson went to Napaskiak; the participating students share some of their experiences of Napaskiak with the GA.
- **AK Student Councils of Excellence** **Megan**
 - This year there are four Student Councils of Excellence. Excellent.
- **Literacy Explosion** **Libby**
 - Megan has certificates for schools that went above and beyond but left them in her room. Award ceremony moved to a later time.
- **Budget 06-07** **Chris**
 - The estimated income for this year was \$86,000, so far we've brought in about \$71,000- not including the spring conference
- **Budget 07-08** **Chris**
 - Budget was passed by Executive Board at the Winter Business Meeting
 - Estimated income of \$116, 575

VIII. New Business

- **NASC 2007: June 21-27, 2007** **Katrina**
 - NASC 2007 is in Kansas, the theme is "Follow the Leadership Road." If anyone is interested, let Carol or Katrina know so that they can sign you up. NASC should be a great experience this summer
- **National Fed of State High School Assns Conf** **Annie**
 - Conference being held in Indianapolis, ASAA is looking to send students who are involved in two different ASAA activities/teams. They are looking for well-rounded individuals, i.e. team captains. Deadline for application is May 1, 2007.
- **RSVP (Raising Student Voices)** **Matt**
 - Carol and Matt are attending for the state. At the conference they will discuss issues that the delegates think are worth speaking about. Matt will be doing a workshop at the fall conference at East Anchorage High School, and is hoping to present to several different organizations such as the principal's association.
- **Conference Host for Spring 2008** **Juneau-Douglas HS**
 - Lindsay- Juneau wants to embrace a "folk" theme, because the Juneau folk-fest will be occurring during or near the time of the conference.
- **Goal 2007-08** **Megan**
 - **Motion to table goals 07-08 until tomorrow**
Moved by Eagle River, Seconded by Juneau
Passes, report tabled until tomorrow
- **ASAA Hall of Fame** **Annie**
 - There are great former student leaders who are now leaders in their communities who deserve to be inducted into the ASAA hall of fame.
- **New Resolutions** **Katrina, Kevin**
 - **Resolution #1 Mt.. Edgecumbe Acceptance Number**

Submitted by Mt. Edgecumbe High School Student Council

Be it resolved by the Alaska Association of Student Governments:

Whereas, Mt. Edgecumbe High School has already seen an increase in population of sixty students in the past three years, remodeling a new dormitory costing the state 2.2 million dollars and constructing a new science wing, costing the state more than one million dollars

Whereas, the further expansion of Mt. Edgecumbe High School has been discussed by the school, by the state, and by the state government.

Whereas, the school has seen teaching staff issues, highlighted by suing by the teacher's union after being forced to work an hour and a half more without increased pay in 2005.

Whereas, an increase in population for Mt. Edgecumbe means a decrease in population for rural schools, meaning less funding for rural schools, and possible school closures, examples being False Pass and Akutan, whose schools are currently candidates for closure.

Whereas, the expansion did not take into account all of the extra costs, and the school is seeing budget cuts, particularly in dormitory needs.

Whereas, decisions about Mt. Edgecumbe's population are governed by the State Board of Education, hindering the ability to make change at a local level.

Whereas, Mt. Edgecumbe high School is known as a premier school in Alaska and to lose this exceptional reputation would be a detrimental loss, not only to the school but also to the entire state of Alaska.

Therefore, be it resolved by the Alaska Association of Student Governments that it is recognized that Mt. Edgecumbe High School should not expand its student population further than it already has.

Action Statement- our student council wishes to see this resolution presented to the State Board of Education by the AASG SBEED Representative

Motion to bring Resolution #1 to floor

Moved by Valdez, Seconded by Ben Eielson

Passes, resolution #1 brought to floor

Region 1: supports the resolution

Region 2: opposes the resolution

Region 3: supports the resolution

Region 4: supports the resolution

Region 5: supports the resolution

Region 6: supports the resolution

Region 7: supports the resolution

Resolution # 1 Passes

• Resolution #2 District-Wide Tardy Policy (submitted as read)

Submitted by Ketchikan High School

- 1 **Be it resolved by the Alaska Association of Student Governments;**
- 2 **Whereas**, some Ketchikan students are late to class;
- 3 **Whereas**, Ketchikan School District has a tardy policy which is not followed
- 4 strictly;
- 5 **Whereas**, teachers' tardy policies are inconsistent;
- 6 **Whereas**, students don't know the policy for each class because they vary;
- 7 **Whereas**, certain teachers allow tardiness;
- 8 **Whereas**, some teachers reduce grades 1% or require detention;
- 9 **Whereas**, students think they're being treated unfairly;
- 10 **Whereas**, teachers have to re-teach subject matter;
- 11 **Whereas**, being on time is a life long skill;
- 12 **Whereas**, in Ketchikan, some businesses blame Ketchikan High School for not
- 13 teaching students the importance of being on time, by not enforcing the discipline
- 14 policy;
- 15 **Whereas**, some teachers, parents, and students want a firmly enforced discipline
- 16 policy;
- 17 **Whereas**, the existing tardy policy is, "In-house suspension for 1 day of school
- 18 for a fourth offense in the same class and another day of in-house suspension for
- 19 every sixth tardy after that;"
- 20 **Whereas**, the existing tardy policy is hard to understand, enforce, and keep track
- 21 of;
- 22 **Whereas**, the existing tardy policy needs to be revised;
- 23 **Therefore, be it resolved by the Alaska Association of Student Governments**
- 24 **that AASG supports an enforced District Wide Tardy Policy for Ketchikan**
- 25 **Gateway Borough School District.**

Motion to bring Resolution #2 to floor

Moved by North Pole, Seconded by Barrow

Passes, Resolution #2 brought to floor

Region 1: supports the resolution

Region 2: supports the resolution

Region 3: supports the resolution

Region 4: supports the resolution, but wants clarification

Region 5: supports the resolution

Region 6: supports the resolution, with noted opposition

Region 7: supports the resolution

Resolution #2 passes

• Resolution #3 School Funding (submitted as read)

Submitted by Ketchikan High School

Be it resolved by the Alaska Association of Student Governments;

Whereas, the cost of living in Alaska is much higher than most other states;

Whereas, the Ketchikan School District (for example) may lose or has lost many valuable elective classes such as vocational, music, and physical education classes;

Whereas, the national average per-pupil allocation is \$8,041;

Whereas, the average per-pupil allocation in the state of New Jersey is \$12,098;
Whereas, the average per-pupil allocation in the state of Washington is \$6,000 with an additional local contribution to total \$6,985;
Whereas, the per-pupil allocation in Alaska is only \$5,381;
Therefore be it resolved by the Alaska Association of Students Governments that AASG support the Alaska State Legislature to provide per-pupil funding of at least the national average.

This should be sent to the Alaska State Senate, Alaska House of Representatives, Alaska State Governor Sarah Palin, and the Alaska State Board of Education and Early Development.

Motion to bring Resolution #3 to floor

Moved by Lathrop, Seconded by Klawock

Passes, Resolution #3 brought to floor

Region 1: supports the resolution

Region 2: supports the resolution

Region 3: supports the resolution

Region 4: supports the resolution, but wants to know where the money would come from

Region 5: supports the resolution

Region 6: opposes the resolution

Region 7: supports the resolution, but wants more information

Resolution #3 passes with noted opposition

· **Resolution #4 Safe Schools Initiative Program**

Ketchikan wants to reschedule to perfect resolution before presenting to GA

Motion to postpone Resolution #4 until tomorrow

Moved by Ketchikan, Seconded by East Anchorage

Passes, Resolution #4 postponed until tomorrow

· **Resolution #5 Felony Law Initiative**

Submitted by Alli Monticello and Bianca Nationales

1 Be it resolved by the Alaska Association of Student Government:
2 Whereas, the “Three Strikes Law” is currently not in effect in Alaska;
3 Whereas, this law acts as a “safety gate” stopping offenders whose
4 frequent offenses haven’t ceased by its appropriate punishments or
5 sentences;
6 Whereas, according to a recent survey conducted by UC-Riverside,
7 93% of the individuals interviewed had reached an agreement that a
8 person convicted for the third time of serious, violent, crimes should
9 receive 25 years to life imprisonment (*Important*);
10 Whereas, criminals are more likely to commit multiple crimes
11 without the enforcement of the Three Strikes Law;
12 Whereas, the Three Strikes Law is in effect in 27 out of 50 states in
13 the United States (*States*);
14 Whereas, with the implementation of this law will consist of a three
15 caliber punishment grading criterion;
16 Whereas, the first “strike” is a regular felony punishment with the
17 appropriate punishment sentencing;
18 Whereas, the second “strike” is another felony punishment with
19 *DOUBLE* the first time penalty of imprisonment;
20 Whereas, the offender’s third “strike” after the insubstantial two
21 sentences, the offender is obliged a mandatory sentencing of 25 to life
22 imprisonment (*Let*);
23 Therefore be it resolved by the Alaska Association of Student
24 Governments that AASG acknowledges and supports the
25 implementation of the Three Strikes Law in the Alaska Law
26 Code.

This should be sent to the Alaska State Senate, Alaska House of Representatives, and Alaska State Governor Sarah Palin.

Motion to bring Resolution #5 to floor

Moved by Cordova, Seconded by King Cove

Passes, Resolution #5 brought to floor

Region 1: supports the resolution
Region 2: opposes the resolution

Motion to call to question

Moved by Ketchikan, Seconded by Eagle River

Motion fails, resolution #5 still on floor

Motion to suspend parliamentary rule limiting an individual to speak only twice during a single resolution

Moved by Mt. Edgecumbe, Seconded by Eagle River

Passes, limiting of speakers to two times is suspended for the duration of Resolution #5

Motion to call to question

Moved by Palmer, Seconded by Bethel

Passes, moved to a vote

Resolution #5 passes with noted opposition

Motion to recess until 10:00 A.M., Friday, April 13, 2007

Moved by King Cove, Seconded by Chief Paul

Passes, meeting recessed

Meeting called back to order at 10:19 A.M., Friday, April 13, 2007

- **Goal 07-08 (tabled from previous day)** **Megan**
 - Presentation is given about 3-2-1 anti-global climate change service project

Motion to add swearing in Lindsay Birk, SPEED Rep

Moved by Eagle River, Seconded by Bethel

Passes, added to agenda

- **Swearing in of SPEED Representative**
 - Lindsay sworn in
- **New Resolutions** **Katrina, Kevin**
 - **Motion to reconsider Resolution #5**

Moved by Eagle River, Seconded by Palmer

Fails, resolution #5 is not reconsidered
 - **Resolution #4 *Safe Schools Initiative Program*** (Submitted as read)(tabled from previous day)

Submitted by Ketchikan High School
Be it resolved by the Alaska Association of Student Governments;
Whereas, in recent years, school shootings have become infamous occurrences in high schools all over the United States;
Whereas, one of our country's first school shootings was in Bethel, Alaska, in 1997;
Whereas, it is evident that the issue is becoming more severe from shooting threats very recently in Dzantik'i Heeni Middle School of Juneau, Schoenbar Middle School of Ketchikan, and even Houghtaling Elementary of Ketchikan;
Whereas, high school students set the example for younger students; therefore, it would be in our best interest to start prevention programs in high schools;
Whereas, school shooting incidents and threats interfere with

education by forcing concerned parents to withdraw their children from school, sometimes for days or weeks, and terrorizing all remaining students and staff;

Whereas, schools are forming new safety policies that can be very intrusive (for instance all door locked policy), but most people tolerate these inconveniences because they want to feel safe;

Whereas, no public school student of any age should have to be concerned with their safety while at school;

Therefore, be it resolved by the Alaska Association of Student Governments that AASG encourages every high school in Alaska to initiate an active Safe Schools program or committee run through their Student Body Associations or some similar body.

This should be sent to the Executive Secretary to the Board of the Department of Education and Early Development, and the Ketchikan School Board.

Motion to bring Resolution #4 to floor

Moved by Eagle River, Seconded by Sand Point

Passes, Resolution #4 brought to floor

Region 1: supports the resolution

Region 2: supports the resolution, but needs clarification

Region 3: supports the resolution, but needs clarification

Discussion:

Motion to amend Resolution #4, line 23, “Safe Schools” to “safe schools”

Moved by Lathrop, Seconded by Yakutat

Passes, line 23 of Resolution #4 amended

Resolution #4 passes

• Resolution #6 Pebble Mine

Submitted by Mt. Edgecumbe HS

Be it resolved by the Alaska Association of Student Governments;

Whereas, the proposed Pebble Mine in the Bristol Bay region of Alaska would be the largest open pit mine in North America

Whereas, the Bristol Bay Watershed, where the mine would be located, is home to one of the most prolific fishing areas in the world

Whereas, the area reaps more than \$400 million annually from sport fishing, commercial fishing, and other renewable natural resources

Whereas, if the mine were to be implemented, it would create a “1,000 square mile mixing zone”

Whereas, large earthquake-prone earth dams built in the area would hold back waste material posing a threat to leaks

Whereas, 100% of mines similar to the Pebble Mine polluted water during or after their usage

Whereas, damage from chemicals and waste would harm the livelihoods of many Alaskans, particularly Native Alaskans

Whereas, the following Alaskan groups and citizens are opposed to the mine:

United States Senator Ted Stevens, the Tribal Village, City, and corporation of New Stuyahok, Koliganek Tribe and Corporation, Nondalton Tribe and City, Dillingham village council, Kakhanok village council, the Tribal Village, City, and Native Corporation, Alaska Wilderness Recreation and Tourism Association, and more.

Therefore, be it resolved by the Alaska Association of Student Governments that AASG opposes the proposed Pebble Mine.

Motion to bring Resolution #6 to floor

Moved by Barrow, Seconded by North Pole

Passes, Resolution #6 brought to floor

Region 1: is undecided on the resolution

Region 2: opposes the resolution

Region 3: supports the resolution

Region 4: opposes the resolution, but wants more information

Region 5: supports the resolution

Region 6: supports the resolution

Region 7: supports the resolution, but is concerned with sources

Discussion:

Motion to call to question

Moved by Mt. Edgecumbe, Seconded by Eagle River

Passes, moved to a vote
Resolution #6 Passes

Motion to recess until 6:30 P.M.

Moved by King Cove, Seconded by Craig
Passes, meeting recessed

Meeting called back to order at 6:49 P.M.

· **Resolution #7 Cafeteria Food Quality** (submitted as read)

Submitted by Mt. Edgecumbe High School Student Council

Be it resolved by the Alaska Association of Student Governments:

Whereas, Mt. Edgecumbe's cafeteria food standards have fallen behind in terms of quality

Whereas, students have become upset, and even disgusted with the quality of the food and the way it is prepared and cooked

Whereas, students are also unsatisfied with the small choice of variety in the food given

Whereas, students have found hairs and insects, such as flies and beetles, in the fruit bar, salads, and the soups

Whereas, the meals don't appeal to vegetarians and isn't proven healthy to all Mt. Edgecumbe students

Whereas, students must eat meals from the cafeteria during lunch on school days unless students purchase it otherwise

Whereas, it is mandatory that students eat from the cafeteria during lunch on school days, or they go without food entirely

Whereas, 94% of Mt. Edgecumbe students would like to see healthier options in the cafeteria

Whereas, students eat every meal in the cafeteria every week out of nine months in the year in school

Whereas, cafeteria staff has ignored several guidelines of NSLP, National School Lunch Program

Therefore, be it resolved by the Alaska Association of Student Governments recognize that Mt. Edgecumbe High School should make improvements of the daily meals in the cafeteria, and follow federal food standards.

Action Statement: our student council wishes to see this resolution presented to the State Board of Education by the AASG SBED Representative.

Motion to bring Resolution #7 to floor

Moved by Klawock, Seconded by Sand Point

Passes, Resolution #7 brought to floor

Region 1: supports the resolution

Region 2: supports the resolution

Region 3: supports the resolution

Region 4: strongly supports the resolution

Region 5: unanimously supports the resolution

Region 6: supports the resolution

Region 7: opposes the resolution

Discussion:

Motion to call to question

Moved by Ketchikan, Seconded by Valdez

Passes, moved to a vote

Resolution #7 passes

· **Resolution #8 School Funding Legislation**

Submitted by Valdez High School Student Council

Be it resolved by the Alaska Association of Student Governments:

Whereas, the Alaska State Constitution outlines the state's responsibility to provide schools open to all children of the state and therefore financing these schools is a constitutional obligation (Art. VII, Sec. 1)

Whereas, school districts throughout Alaska are required annually to submit a balanced budget to their local governing bodies May 1.

Whereas, school districts are not informed about the amount of state funding they will receive until the end of the legislative session which can be as late as mid-May.

Whereas, school districts choose to balance their budgets using a reduction in force plan for tenured teachers and these teachers must be given notice by March 16, according to state statutes. (AS 14.20.140)

Whereas, on March 13, 2007, the Valdez School District gave notice to four tenured teachers explaining that their programs would be cut unless state funding was adequate.

Whereas, the programs scheduled to be cut include: music, physical education, English, and technology, which are all integral parts of a sound public education.

Whereas, legislators have historically used education funding as a political tool (Rep. John Harris, March 29, 2007)

Whereas, education funding should be the top priority for our state legislators and should be safe from political manipulation

Whereas, Alaska's children are its future and should be treated as the state's most valuable resource

Therefore, be it resolved by the Alaska Association of Student Governments that state education funding should be the legislative priority and all action regarding school funding should be concluded by March 1, annually.

Action Statement: we wish to have this resolution accepted by AASG as the spring 2007 Conference, presented to the Sate Board of Education, the Alaska Schools Activities Association and the Alaska Association of School Boards for their endorsements. We urge all local student councils to pressure their respective legislators to support this action; we also request this resolution to be mailed to all local school boards, every state legislator, and Governor Palin.

Region 4: supports the resolution

Region 5: supports the resolution

Region 6: supports the resolution

Region 7: supports the resolution

Resolution #8 passes unanimously

· Resolution #9 Students and Substance Abuse (submitted as read)

Submitted by Elizabeth Dattilo from Barrow High School

Be it resolved by the Alaska Association of Student Governments:

Whereas, many students don't have the support they need at home

Whereas, teens of families with substance abuse problems tend to have related issues for the rest of their life

Whereas, substance abuse problems affect schoolwork, inhibiting success in education, which disqualifies students of opportunities that they would otherwise be capable of.

Whereas, students should have help to be free of debilitating substance abuse problems

Whereas, students with issues related to substance abuse are more likely to cause harm to themselves, others, or have harm inflicted on themselves

Whereas, substance abuse affects the mind and therefore the decisions that users are making

Whereas, substance abuse is a recurring problem that has to be dealt with, to protect future generations from the physical and mental abuse that happens because of it

Whereas, a clouded judgment due to substance abuse can be lethal and has caused deaths in the extreme cold of the north

Whereas, for example, in the village of Barrow, the organization originally made for this cause, is in no way serving its purpose, but rather has become a stomping ground for drug dealers and users

Whereas, a survey conducted by the National Institute on Drug Abuse (NIDA) revealed that, out of 147 respondents, 100% of them had drunk alcohol within the past month, 42% drank every day, and 50% drank until they were drunk, at least half of the time.

Whereas, there isn't any cooperation among agencies, and this resolution would enforce agencies such as the juvenile system, children youth services, the state mental health department, and adolescent treatment centers

Whereas, the survey conducted by the NIDA also found that those who drank before or during sexual intercourse were more likely to have unprotected sex, even with a complete stranger

Whereas, unprotected sex will lead to more sexually transmitted diseases, such as HIV

Whereas, a study on alcohol abuse among Native Alaskans, shows that alcohol abuse has been rising steadily

Whereas, a study on the rate of Fetal Alcohol Syndrome among Alaskans, indicates a high prevalence of FAS

Therefore, be it resolved by the Alaska Association of Student Governments that accessible support groups are organized, with a qualified councilor to have regular meetings for students of the state of Alaska, with issues related to substance abuse.

· Resolution #10 Fall 2007 AASG Conference (submitted as read)

Submitted by East Anchorage High School

Be it resolved by the Alaska Association of Student Governments:

Whereas, East High School would be honored to host AASG

Whereas, Anchorage has a mall with stores that don't exclusively sell Alaskan Merchandise

Whereas, Anchorage has beautiful fall foliage

Whereas, East High School's theater is the most beautiful room you'll ever go in to

Whereas, Anchorage has more coffee shops per person than any other city in the nation

Whereas, East even has its own coffee shop

Whereas, if you come to Anchorage, you can live a big, wild, life

Whereas, East High has already lined up a guest speaker who's an expert on environmental issues

Whereas, in Anchorage it does not rain... as much

Whereas, East is the largest and most diverse high school in the state

Whereas, Anchorage has an airport

Whereas, East High's student government has 60 able-bodied members ready and eager to make the best AASG ever

Therefore, be it resolved by the Alaska Association of Student Governments that AASG wants to have a conference at East Anchorage High School

Motion to bring Resolution #10 to the floor

Moved by Lathrop, Seconded by Ben Eielson

 - Region 7 Representative: Alisha Welch

X. Special Resolution

Executive Board

Submitted by AASG Executive Board and Region 5

Be it resolved by the Alaska Association of Student Governments:

Whereas, Craig has been the most resilient and generous hosts.

Whereas, the pods have been the most mud-licious and exotic.

Whereas, “Bang, Bang” was introduced as an official AASG cheer for its unification of the GA.

Whereas, 80s aerobics never looked so fine.

Whereas, praying to the weather gods paid off for once.

Whereas, AASG has never been held in an auditorium with such great acoustics.

Whereas, getting to know each other helped deepen the debates.

Whereas, Tlinget/Hida/Symshlan dancing is beautiful and inspiring.

Whereas, everyone loves glow sticks.

Whereas, Craig has the most gorgeous lodge-like school in our state.

Whereas, we used planes, ferries, and automobiles to get to this fantastic conference.

Whereas, making masks helped unmask everyone’s true identity.

Whereas, the concept of the AASG massage line is still in the air.

Whereas, Ms. Lee knows how to boogie with the best of them.

Whereas, it’s typically unbelievable to finish all new resolutions in the conference.

Whereas, AASG will forever be indebted to the tasty, healthy meals.

Whereas, we are looking forward to the best bonfire ever.

Whereas, we are fortunate to not have a run-in with the acousta.

Whereas, everyone was shown up by the groovy advisors’ spectacular dance moves.

Whereas, 8:00 AM is an awesome time to start the day with a healthy, balanced breakfast while singing “YMCA.”

Whereas, the next time we come to Craig, Alaska, we will wear flowers in our hair and extra tough rain boots.

Whereas, Prince of Wales Island has the most community support anywhere in the state.

Whereas, Carol and Mr. Powers led the best game of Simon Says, even bringing back the Jedi.

Whereas, without Craig’s support and supply of instruments, So Moved could never have been born.

Whereas, all of Region II learned how to shake their hips side to side and all of their votes were unanimous.

Therefore, be it resolved by the Alaska Association of Student Governments that the spring AASG conference in Craig has been the most rockin’ AASG ever.

Thank You, Craig!

XI. Adjournment

Katrina

Motion to adjourn

Moved by Craig, Seconded by East Anchorage

Passes, meeting adjourned at 10:44 A.M., Saturday, April 14, 2007
