

AASG Spring Conference
March 25-27, 2010
Ben Eielson High School
"Mission Impossible: Making it Possible"

Workshop Application
Due March 1, 2010

This year we have decided to have two different types of workshops that draw inspiration from our theme:

Save Others!
and
Save Yourself!

Save Others! workshops are intended to prepare and train AASG agents (delegates) in the service of others. Workshop presenters may include representatives from local, state, or national community organizations or individuals who have community service experience.

Save Yourself! workshops will provide AASG agents with the skills needed to be successful leaders for the rest of their lives. Workshops may include presentations on organization, communication, stress management and even stress-reduction activities such as dance, tae kwon do, yoga, outdoor survival.

Please be prepared to present your 45-minute workshop twice on Friday, March 26 at Ben Eielson High School. Workshop times: 3:00pm-3:45pm and 3:45pm-4:30pm.

Please fill out the information listed below to inform us about your workshop.
